On a separate page, briefly (30-40 words) describe yourself and your work, and any materials or techniques of note or interest. This description will be used in preparation of the Festival program and promotional material, (descriptions over 40 words will be edited to fit our format). If, after submitting your application, you choose to make changes to your planned exhibit, please contact the Village Coordinator.

Please provide photographs of your work, a website link or other promotional material that features your work.

The Shelter Valley Folk Festival committee is dedicated to creating opportunities for the public to experience Sustainable Community living as an educational and interactive process, not just a commercial enterprise. With this goal in mind, please briefly describe the ways your participation and display might enhance the Festival experience. You may include suggestions for demonstration or any other interactive aspects of your display.

The intention of the festival is not to create a retail booth atmosphere; instead, where applicable, to have a limited selection of approved items related to a display or service. Please list any and all items you propose to offer for sale, to be reviewed by the selection committee

Like many festivals, the Shelter Valley Folk Festival will be holding a fundraising raffle. We will be asking accepted contributors to consider making a donation to the raffle.

Please return your completed Application Form to Barbara Buntin, Village Coordinator, 10 Gardiner Cres. Cobourg ON K9A 1W6 before March 31st, 2007. For further information, feel free to contact Barbara Buntin at 905.372.8535 or barbarabuntin@sympatico.ca

The Shelter Valley Folk Festival committee reserves the right to select contributors that, in its opinion, will contribute to an enjoyable audience experience that aligns with the Festival Vision. Space is limited.
