On a separate page, briefly (30-40 words) describe yourself and your work, and any materials or techniques of note or interest. This description will be used in preparation of the Festival program and promotional material. (descriptions over 40 words will be edited to fit our format.)

You may provide photographs of your work, a website link or other promotional material that features your work. If, after submitting your application, you choose to make changes to your planned presentation, please contact the Village Coordinator.

Our focus will continue to be on education and awareness for our audience, while providing a variety of ways for you to showcase your practice or business. The intention of the festival is not to create a retail booth atmosphere, therefore ***no items will be offered for sale*** in the Wellness and Sustainable Living Villages.

Like many festivals, the Shelter Valley Folk Festival will be holding a fundraising raffle. We will be asking accepted contributors to consider making a donation to the raffle.
