1. On a separate page, please provide an artist's CV or bio.
2. Briefly (30-40 words) describe yourself as an artist, and your work, including the materials used, for use in our Festival program and promotional material, (descriptions over 40 words will be edited to fit our format). If, after submitting your application, you choose to make changes to your planned exhibit, please contact the Village Coordinator.
3. Provide photographs of your work, or your website link. Please ensure that photographs are labeled to indicate materials used, size and price of each piece shown.
4. The Shelter Valley Folk Festival committee is dedicated to creating an opportunity for the community to experience the arts as a creative and enriching process, not just a commercial enterprise. With this goal in mind, please briefly describe the ways in which your display and involvement in the Festival weekend might additionally enhance this experience. You may include suggestions for demonstration, works in progress or any other interactive aspects of your display. Please indicate whether these activities can take place in your tent or would require access to an additional demonstration area.

Like many festivals, the Shelter Valley Folk Festival will be holding a fundraising raffle. We will be asking accepted contributors to consider making a donation to the raffle.
